

Dr Silvia Gold

Silvia Gold is the President of the Mundo Sano Foundation, an organization that promotes access to health for people exposed to neglected diseases. The Foundation, with 30 years of experience, develops replicable, scalable and transferable management models through public-private alliances, with multidisciplinary scientific research and programs that expand throughout Latin America, Europe and Africa.

Together with her husband, Dr. Hugo Sigman, they founded the pharmaceutical group Insud Pharma in Spain, with more than 45 years of experience and presence in more than 55 countries; currently a leader in the pharmaceutical sector and whose main objective is to improve health throughout the world by providing accessible, effective, safe and quality drug treatments; as well as Grupo Insud, in Argentina, which integrates companies from the life sciences, agroforestry, the cultural industry and environmental preservation and design.

Dr. Gold holds a Ph.D. in Biochemistry from Universidad de Buenos Aires and is a member of the National Academy of Pharmacy and Biochemistry of Argentina. In 2019, she was awarded the Gold Medal from the Royal Academy of Medicine and Surgery of Murcia, Spain.

In 2020, she received the Business Trajectory award from the new edition in Argentina of "Entrepreneur Of The Year" (EY), an international program that seeks to recognize successful entrepreneurs and promote inspiring ideas.

Gold has contributed to numerous scientific publications and has actively participated in international meetings and conferences related to the NTDs and Global Public Health.

Besides, Dr. Gold is a member of several boards, including:

- World Health Organization (WHO) Foundation Board.
